

ALPHA OMEGA

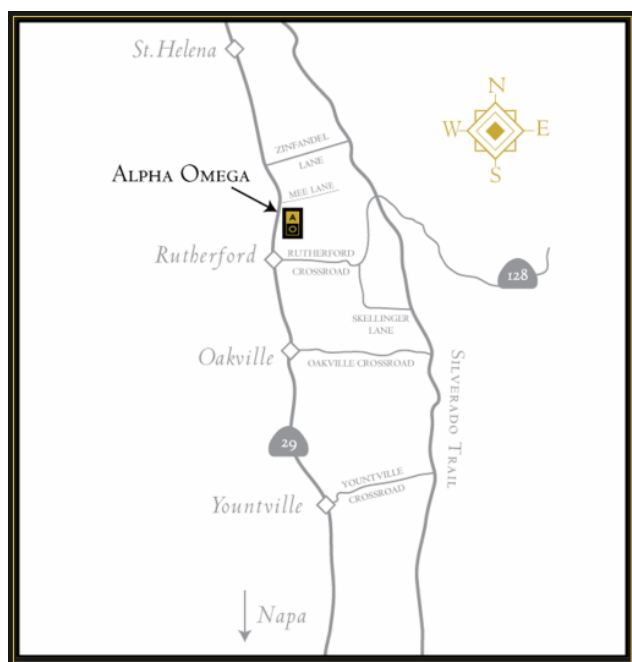

NAPA VALLEY, CALIFORNIA

Alpha Omega, located in the heart of Napa Valley, on the Rutherford Bench, has begun its journey to be recognized as one of the great wine estates in the world. Our team of winemakers, who share a history of winemaking excellence, along with our highly regarded vineyards, combine to create a unique expression of the essence of Napa Valley.

Robin Baggett and Eric Sklar have a shared vision for a new winery in Napa Valley which evokes the hospitality of this farming community along with making the finest wines achievable. Robin and Eric both discovered their passion for wine as amateur winemakers over twenty years ago. Robin developed over 800 acres of vineyards in Edna Valley, San Luis Obispo. He then founded Courtside Cellars, a custom crush facility, and Tolosa Winery, an ultra-premium winery. Robin was past president of the San Luis Obispo Vintners for five years and a board member of the Wine Institute. Eric and his family have a rich history in Rutherford as grape growers. The Sklars have been growing Cabernet, Merlot, and Sauvignon Blanc for nearly 30 years. Eric has managed the vineyard for the last 10 years.

Alpha Omega has been fortunate to acquire fruit from highly sought after vineyards in the unique appellations of Napa Valley: Spring Mountain, St. Helena, Rutherford, Oakville, Yountville, Atlas Peak, Oak Knoll, Wild Horse Valley, Calistoga, Carneros, and Jameson Canyon including the historically well known To Kalon, Stagecoach and Newton Vineyards.

WINEMAKER Jean Hoefliger was born and raised in Switzerland. His winemaking experience took him from Switzerland to Bordeaux and South Africa, making wine at the esteemed estates of Chateau Lynch-Bages, Chateau Carbonnieux and Meerlust. Jean spent five years as winemaker for Newton before joining Alpha Omega.

Alpha Omega's winemaking team includes one of the wine world's superstars, **CONSULTING WINEMAKER Michel Rolland**. Universally considered one of the world's best palates, Rolland consults for more than 100 wineries in 12 countries.

"The more you know about wine, the more you'll want to know about us."
